Aadhaar isn't progress! It's dystopian and dangerous. Stop it now.

Government of India should pause the further roll out of Aadhaar until a strong, comprehensive law protecting individual security and privacy is passed.

moz://a

Aadhaar isn't only an invasion of privacy, but it's just not right. **Stop it now.**

Government of India should pause the further roll out of Aadhaar until a strong, comprehensive law protecting individual security and privacy is passed.
